SSMC Makes S\$63K Donation to Aid Myanmar and Sichuan Relief Efforts

Singapore, 28 May 2008 – System on Silicon Manufacturing Co. Pte. Ltd. (SSMC), a manufacturer of advanced semiconductor wafers, announced today that it is making a S\$63K donation to the Singapore Red Cross Society Myanmar Cyclone Appeal Fund and China Earthquake Appeal Fund. This donation is for immediate and emergency care for victims in Myanmar and China.

“Our hearts go out to the many victims of this terrible tragedy” said Jagadish CV, CEO. “SSMC and our employees would like to offer our prayers and condolences to the many who have lost so much.”

SSMC’s Impact On Society (IOS) organiser from community committee, Serene Tan said, “We are truly grateful for the giving spirit shown by SSMC employees. IOS wants the employees from SSMC, especially the affected countries employee to know that SSMC cares for their country folks. Our core value of social responsibility has been alive. In a short 4-day donation collection accompany with SSMC matching dollar, the sum that arrived represents contribution made per employee close to S\$45 in average.”

“On behalf of the Singapore Red Cross, I thank you once again for your generosity towards the disaster victims and for your support of the humanitarian work of the Singapore Red Cross”, Winston Choo, Chairman of Singapore Red Cross Society.
