

SSMC's “**Adopt a Wish**” program with Orphanage in Batam, Indonesia

By Jindal Sanjeev and Ida Ho for InSight

On 22 Dec 2012, SSMC extended its community care outreach to under privileged children, 5 to 16 years old, residing in Berkat Bangsa Orphanage in Batam, Indonesia. Some of the children, benefited from the program are victims of 2006 Tsunami that hit Indonesia very hard.

SSMC volunteers with children at Berkat Bangsa Orphanage celebrated Christmas at Batam

In a two week long charity drive more than S\$2,000 collected in terms of cash and gifts from more than 100 employees. In a pursuit to bring smiles to these children, a team of 6 SRC representatives, brought with them the cash and gift donations from our SSMC employees, went to Batam to fulfill their Christmas wishes.

In a joyful atmosphere, the children sang Christmas carols and presented a Christmas cultural performance; while SSMC volunteers, slipped back into their childhood, joint them and had fun in games like popping balloons and musical chairs.

The day reached an exciting climax with the gift presentation which attracted lots of beautiful smiles from our kiddo friends. Each child was presented a Gift package with a T-shirt, a pair of Shoes, School bag plus a play set (for younger kids) or Wrist watch (for elder kids). SSMC also donated 2 fans for the Berkat Bangsa Orphanage facilities which house 35 children.

Children sang Christmas carol and presented Cultural performance to showcase their talents

Sanjeev and Au, presented SSMC donations to the Orphanage representative

Grinning from ear to ear, all 35 children happily received their Christmas Gifts

Thank you Chee Wee, Lenard, Sanjeev, Au (& his daughter), Myat, and Ting to be our ambassadors to bring joy and smiles to all children and spread the "SSMC Care" community spirit. Congrats for the job well done!!

This SSMC's first overseas outreach expedition and it was indeed a great experience for many SSMC volunteers and SRC representatives. Congratulations for their good efforts and bring SSMC's best wishes and our care for the less privileged children. Well Done! Please keep up the good work!
