Mr. Jagadish CV, Chief Executive Officer of SSMC recounted in his opening speech at the Supplier Day Dinner celebration that 2011 presented a number of major challenges for the semiconductor industry (including natural disasters and overall weak global economy). [Yet despite of these setbacks, 2011 was a record year for SSMC in many regards including achieving highest ever shipment record and wafer moves. To date SSMC has successfully achieved 4 millionth wafer shipments and exceeded 1 thousand product tapeouts.](#)

[Mr. Jagadish attributed the success to SSMC's proactive balanced portfolio strategy which allows SSMC to capture market segments with healthy growth and the ability to work cooperatively with our partners \(customers and suppliers alike\) as the key in creating such agility, resilience and competitive advantage.](#)

He emphasized that amongst the Award Recipients are

- Valued partners who have been an integral part of SSMC's business, who continues to deliver technology, innovative and cost effective solutions to meet our business needs since the inception of SSMC and
- New partners who worked with SSMC in the development of new capabilities / alternative solutions from the inception to qualification, conversion and ramp in the past 1 year.

The highlight of the event was the presentation of the SSMC's Supplier Awards

"SSMC will continue to focus on the 3 Key Pillars on Operations Excellence namely i) Fab Quality and Yield ii) Productivity and iii) Cost Excellence in the coming years and we look forward to your strong support and partnership. Cheers to more successes together!" said Ms Kelly Sofian, Senior Director, Human Resources and Purchasing.

In his closing remark, Mr. Jagadish shared that despite low 2-4% Semiconductor industry growth projection in 2012, SSMC will continue to invest for long term growth and deliver more exciting option for niche applications and call upon Suppliers for continued support and cooperation in SSMC's continuous pursuit for Business and Operational excellence to stay ahead of the competition and strive for more record highs in the coming year.
